

A gift for my child...

Dear Teacher,

Thank you for teaching my child this year.
You've inspired and shaped many lives, that is clear.

As each new grade passes, the closer we near...
to high school graduation. It soon will be here!

This book is a gift for my child, so dear.
With a note from each teacher, a message sincere.
A look back at the journey, the triumphs and fears.
Words of encouragements- motivation and cheer.

So please write a message that they'll one day hold dear,
As they set out to discover a brand new frontier!

Thank You!
